Looking Ahead

Luke 14:12-14, "The Parable of the Great Banquet" – Jesus doesn't just call us to serve those in poverty. He calls us to also engage with and live in community with them. Providing for someone's physical needs should be coupled with genuine relationships and invitations into our lives. Jesus didn't just heal the disabled, the poor, and the brokenhearted – he also sat, ate, and spoke with them.

Jesus also calls us to give without hope of repayment here on Earth. In 2024, Re-fined will continue to build relationships with those in poverty. We hope those we serve will continue experiencing reciprocal friendships, new outlooks on life, a fresh perspective, and a closeness with Christ as the Re-fined community continues to model our lives after Him.
