

# Your Impact in Action

Your partnership has changed lives. You've supported individuals seeking justice in court, women rebuilding their futures in stabilization homes, and those continuing their healing journeys through Re-Fined's Continuing Care Community. Your impact extends to Re-Fined's volunteers and has brought hope and transformation to the greater Denver community and beyond.

**2024**

# Impact Report

**Thank you for Standing Faithful with us**

Your generous gifts have empowered Re-fined to serve women coming out of sexual exploitation and provide vital support in their journey toward healing, restoration, and hope. Here are highlights of what your partnership helped accomplish in 2024.

## REFLECTING ON 2024 AND LOOKING AHEAD

With 2024 closed, we find ourselves reflecting on God's abundant faithfulness. Across the year, Re-Fined witnessed God's justice, mercy, and love in remarkable ways. We are overflowing with gratitude for all Jesus has done through this ministry and the community He has built around it.

### Highlights from 2024

#### Historic Justice Served

We supported **6 courageous women** as they testified in the Robert Hawkins landmark trial, which led to a **historic 448-year sentence**—the longest for trafficking in U.S. history.

#### Healing GAP Nights

Through over **30 GAP Nights across six stabilization homes**, we shared trauma-informed, Christ-centered curriculum. In November, we celebrated "Living Life as a Thank You" with a gratitude painting session led by an art therapist. The night was filled with healing, joy, and creative expression.

## 2024 FINANCIAL RECAP

Income  
**\$283,868**

Expenses  
**\$303,670**

## VOLUNTEER IMPACT

**73 Volunteers**

**1,045 Hours**

*saving Re-Fined between*

**\$15,066 – \$19,114+**

Re-Fined is a volunteer-driven ministry, and our work is only possible because of those who selflessly give their time, talents, and hearts to this mission.

\*based on Colorado's state minimum wage (\$14.42) and Denver's minimum wage (\$18.29). Many volunteers typically earn more per hour, making their impact even greater.

### Styling Services

Our Styling Services helped restore confidence and self-esteem through **52 appointments**, preparing women for new opportunities and reminding them of their beauty and value given by their Creator God.

### Continuing Care Community: The Later Stages of Recovery

Your generosity enabled us to offer **50 connections** of continuing care support for **13 women** participating in our Continuing Care Community.

### The Great Banquet

In one of the most special moments of the year, we hosted our **first-ever Great Banquet**. We welcomed **34 women from five different safe homes**, treating them to a limousine ride and a four-course meal. For many, it was the first time they had ever been celebrated in such a special way. The night was marked by laughter, love, and unforgettable joy.

## TRAINING & AWARENESS

God has also equipped Re-Fined to serve through education and training, strengthening our community and our mission.

**1,530 Volunteer Training Hours**

Equipping volunteers to walk alongside women with trauma-informed, Christ-centered care.

**2,257 Awareness Hours**

Empowering communities through SE101 training to recognize and respond to exploitation.
